As we grow
we discover
that it hurts to grow
but we discover
as we grow.

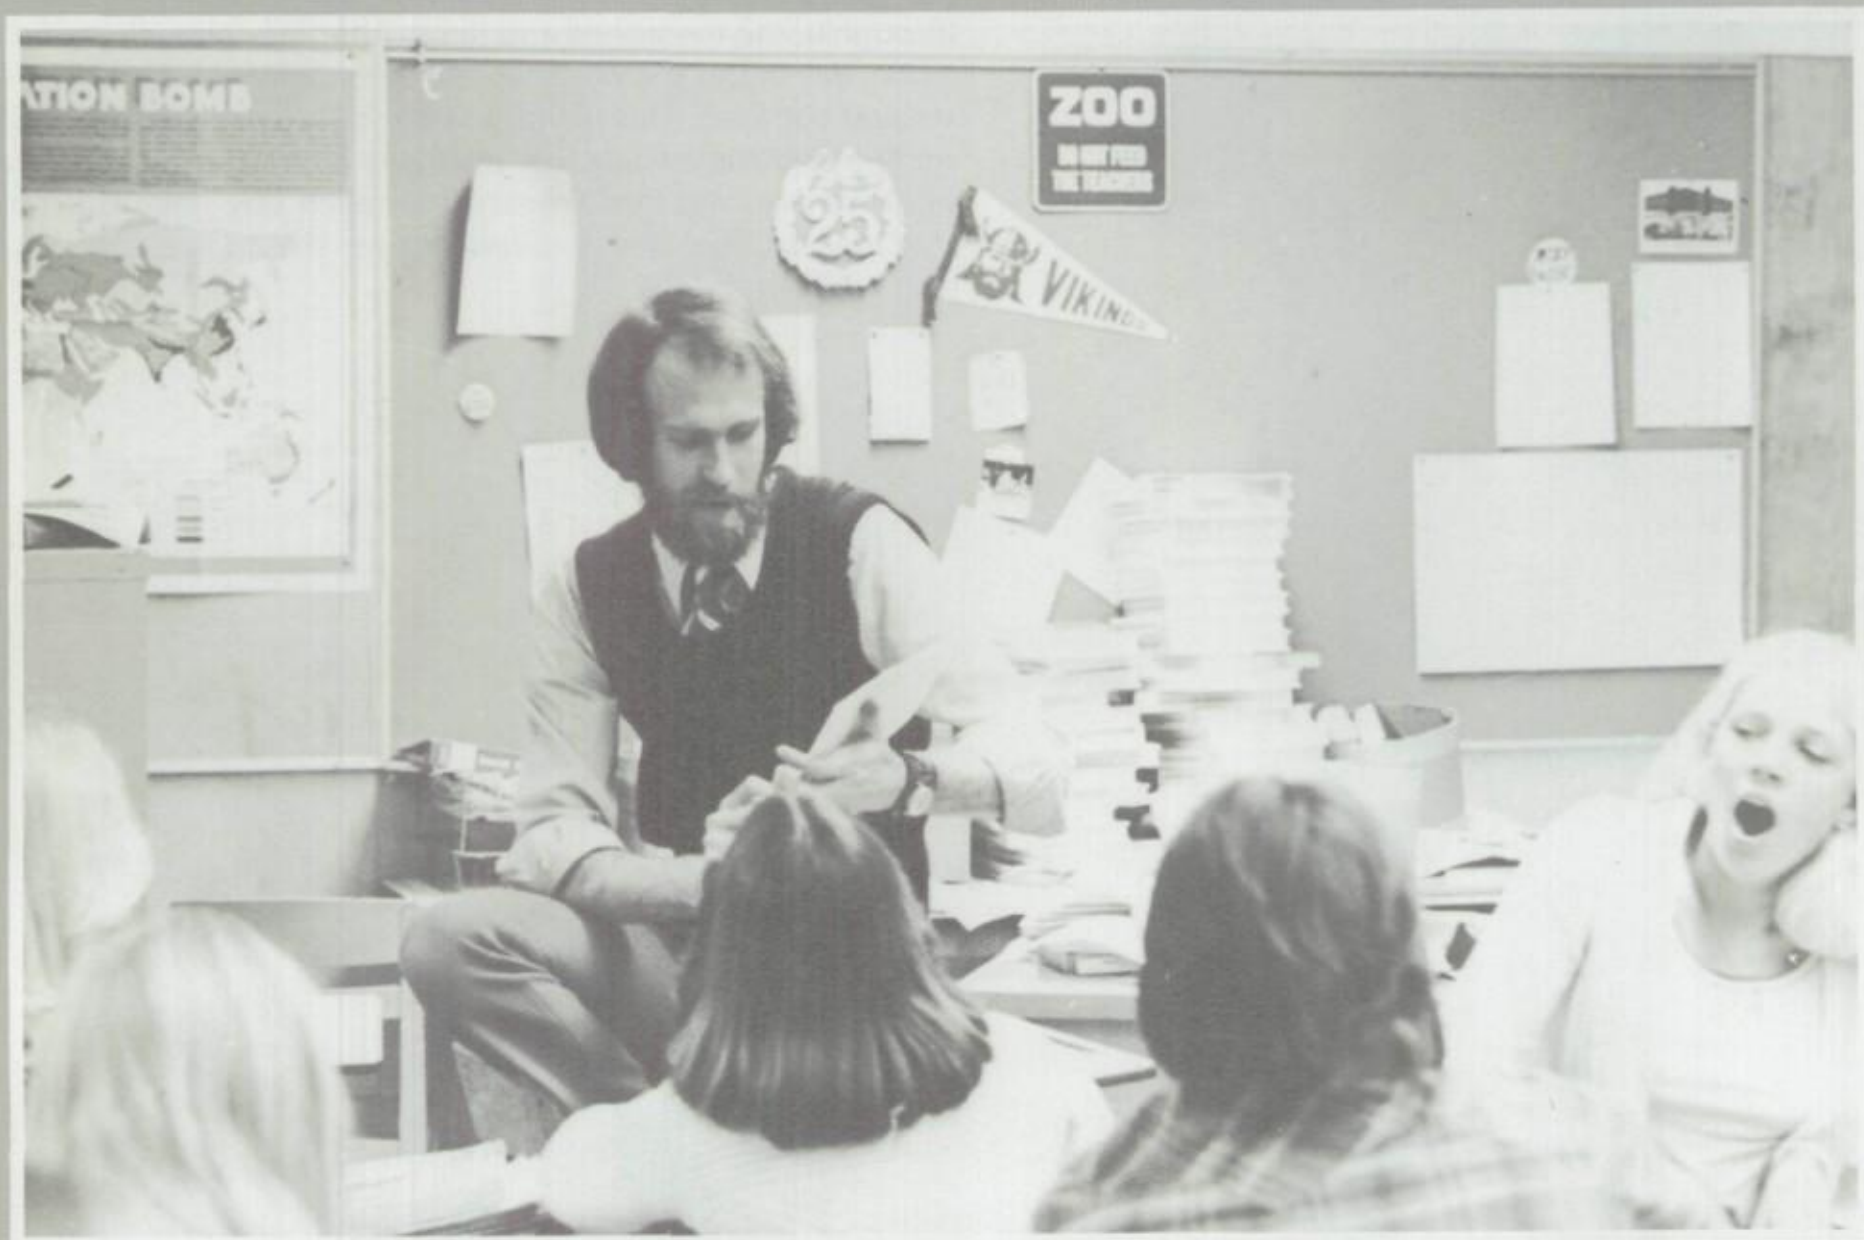

There is a certain thrill about looking through a yearbook for your first time, rushing through to see pictures of yourself and your friends. After the autographs have been read over and over again, the memories will be placed on a shelf to collect dust. Years from now your children, while cleaning the garage, will come across this book. As you thumb through it, the memories and the people will come alive once again. It is at this moment, we realize exactly how those days shaped our lives. This is the purpose of a yearbook. The way we live and the people we associate with help to make us what we are. We must realize that each day has a part in shaping our lives. For this reason, we should live each day to it's fullest extent.

Reaching for our goals in the future

Happy Anniversary

By PHIL ROTH
Sunnyslope Correspondent

In the fall of 1953, Sunnyslope High School opened for class at the corner of Central and Dunlop Avenues. Today, 25 years later, Sunnyslope is celebrating a Silver Jubilee.

A committee, led by Helen Bollman, counselor and student council sponsor, consisting of teachers, students, administration and interested parents, has planned many activities with the idea that students might find it interesting to learn how Sunnyslope use to be in the old days.

AMONG THESE activities is the reissue of the first Sunnyslope newspaper, distribution of anniversary buttons, reinstitution of the dress code from 25 years ago for one day, and patriotism week when graduates of years past will be honored.

Designed and drawn by Corinni Pankratz, the Sunnyslope Viking against a number "25" will be used as the symbol of the events and items concerning the celebration. Buttons, papers and a student council-sponsored spirit flag will bear the design.

A year in the making, the flag is

designed to develop pride and unity throughout the school.

A MONTHLY SHOW case in the cafeteria featuring arts, academics and sports from 25 years past is featured where the first news paper, old records, programs and trophies are on display. It is hoped the display will interest students in the jubilee program.

Another large project planned will be held during National Education Week when the various departments will show how the basic subjects were taught 25 years ago, and how these methods currently relate to instruction. Included will be the math department's basic arithmetic contest similar to that held in 1953.

A Silver Jubilee handbook will be sold at a moderate price (to cover production expenses) and will include 25 years of events. Researched by Model U.N. which perused old annuals and papers, it will prove to be a valuable source of information for the Jubilee activities.

Only one teacher, R. L. McBee, has remained at Sunnyslope through the 25 years. But through the Silver Jubilee celebration, many students and faculty will feel the spirit of 1953.

Our lives are still ahead of us
There are still good years to come
Our last year almost over
There are things we wish we had done
But we still have good ole' college
Just think, more years of school.

Junior class council solves problems

Hey Liar
Just think - you'll be a junior all over again next year!!
I heard you flunked and you're going on the 5 year plan!!!
But don't feel bad - for I'm in the 8 1/2 year plan!
This year has been pretty good - considering I have 5 1/2 more to go! But it's too bad I didn't have a class with ya - 'cause I really enjoy being around you, Liar. You are one CRAZY kinda girl and I think you're just great! And anytime you need a birthday cake - I'll be there with pralines & cream ready & waiting!
I don't ever mind doing anything for you 'cause I could never do enough for you!
So if you ever need anything - just let me know and I'll be there!
I hope I'll be seeing a lot of you over the summer!

"Oh! Mr. Lunn I could listen to you talk all day, you're so wonderful," said Anne Manning.

Well, I'll survive, I tough, I'm talented, I'm

Besides, McDonald's is on the next page and they
say they'll do it all for me, Linette, me!!
So don't worry about me, I'd worry about

To whom it may concern,

Well, the book is finally finished. Even the late pictures, misnumbered pages, and the rush to ship pages on time at deadlines were worth it. We feel that it has been an honor to be an important part in Sunnyslope's 25th anniversary yearbook publication, and we hope this book will be treasured as a reminder of a memorable time in your life.

We hereby resign our positions as co-editors, in other words . . .

WE QUIT !!!

Love always,

Linette,

why does everyone keep saying it was a good year? I thought it was busy. But English wasn't bad was it? I am really glad I met you, your sweater nice and just fun to be around. I hope we have some classes together next year and I hope I see you during the summer. Take it easy Steve.

P.S. Tell your dad I said hi!

Autographs

Gynette -
I will
always remember
you as Rosanna
- or whatever
it was. You were
sweet + I'm really
glad

Gynette,

It's been great, ~~there~~, interesting going
through all your problems with Alan. Try
not to get too bored at Pinewood, remember
most trees are still. It's too bad we won't
have another Roseann-Rosannadana until
next year unless you can get hooked some-
where. Hey, how about Jack in the Box or
Hot Sam's, I'm sure you bring in a lot
of business. How does it feel not having
Mrs. Whalley any more? I know you
terribly upset! Remember!

Jesus saves but
Moses invests,
catchy huh?

Love,

Claudia

Linette,
 It was
 fun having you in my
 history class. Have
 a great summer

Hey Nettie! (Fred, Kuretha, Lin, Kuretha, etc.)

You are such a lucky person to have me
as a friend - & bet you're so happy you could
just shut it! Damn Yearbooks! I really think

we should get together and hold a clothing drive
for Kegger - it's our duty to help the under-
privileged. Here's a profound thought from me:
"Life is like a yo-yo." - But that one really
